

SMITH CENTER FOR INTERNATIONAL AGRICULTURE AT UTIA - AIAEE CONFERENCE BRANDING GUIDELINES

Primary Logos

Since this is a conference, the main logo needed for content will be the AIAEE logo, which can be found below. Other universities logos are permitted for their respective pages.

Design Elements

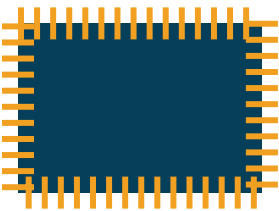

The main theme of the design graphics mimic a quilted blanket. This inspiration comes from Dolly Parton's famous "Coat of Many Colors," which has ties to Appalachia and East Tennessee. My goal was to highlight these elements in a way that showcases the Appalachian culture for the attendees of the AIAEE conference.
